

Villain

When you first sit in Villain, you'd be forgiven for thinking you've entered the set of a James Bond film. Of course, he's comfortable. But he's more than that. With this one you'll get an extra dose of confidence too. An exhilarating sense of drama even, to be enjoyed as you ruminate over evil plots or hatch cunning schemes.

Villain was born to celebrate our 40th year in business. We wanted to design something intriguingly different yet endearingly familiar all the same. It's a fun statement piece without compromise. A commanding addition to a high-level board room or sumptuous reception. Or perhaps even an invitation to get comfy in a hotel lounge.

World domination optional.

- Solid wood spider base.
- 4 star polished aluminium base.
- Rocking Tilt
- Plush cushions.
- High or medium back heights.
- Contrasting button colours.
