

## Gem

From upholstered benches with steel frames to beech coloured wooden stools, our Gem collection of stools for breakout and meeting spaces features colourful details that will put a smile on everyone's faces. Choose from desk height or bar height in a variety of finishes and you can even add a distinctive radiused edge that can be further enhanced with additional piping. And you'll notice buttons feature pretty prominently too.

- As an Environmentally friendly alternative to Chrome Plate we offer a Bright Chrome Epoxy finish.
- We also offer a selection of other frame colour options. See page 238.
- There is a minimum order quantity of 5 Gem in bright chrome epoxy or any other non-standard frame colour option. An order for less than 5 incurs an additional £20 set up cost.
- Tubular steel, stool frames guaranteed for 15 years.
