

Piano

Perfect for reception areas, relaxed meeting spaces or creatively constructed public areas, Piano is a versatile modular soft seating master. Built for comfort and durability, with solid beech wood frames and sprung seats, the many components in the range can be used to create an infinite number of configurations. What's more you can add in tables, Power modules, USB charging and any of the elements from the Grand Piano range for the ultimate in modular arrangements. Our Piano range can be tailored to your measurements and bespoke items created to suit your planning requirements. Please contact the team for a bespoke quote.

- Versatile modular seating system.
- Compatible with Grand Piano range.
- Solid beech frames.
- Extra strong steel legs in choice of styles - Standard, Floating or Skid.
- White laminate table tops.
- Deep cushioned seats over elasticated webbing.
- Linking and power module options.
