* Solo, twin and three seater sofas available

* Large variety of linkable configurations

* Button detailing

Optional matching * scatter cushions

* Power modules available

* Standard polished steel legs

* Optional wooden underframes with polished beech finish

Deco

DESCRIPTION

Deco is our beautiful, tuxedo styled, modular sofa system. The individual cushions have a foam core for durability, stuffed with feathers for a luxuriant feel. Generous solo, twin and 3 seater sofas allow for the creation of L shaped corner sofas, booths, extended sofa runs and pretty much any other configuration you can think of. DECO links seamlessly with the media units from our LILO range and also co-ordinates perfectly with our LILO coffee tables.

The full range:
